What is HIDE/FIDE?

HIDE-SNP: Highly Integrated Dual Eligible Special Needs Plans

A DSNP that has (or whose parent company has) the state Medicaid contract. HIDE plans may have an exclusively aligned enrollment, and the state Medicaid contract includes Long-term Supports and Service, Behavioral Health, or both. The plan is required to coordinate all care required by the member.

FIDE-SNP: Fully Integrated Dual Eligible Special Needs Plans

A DSNP that has all contracts with CMS (Medicare) and the state (Medicaid). FIDE plans must have an exclusively aligned enrollment, and the state Medicaid contract includes Primary Care, Acute Care, Long-term Supports and Service, Behavioral Health, and at least 180 days of Nursing Home Facility services per year. The plan is responsible for all Medicare and Medicaid covered services.
